INDEPENDENT AUDITOR'S REPORT

To the District Executive
Eastern Ontario District of the Pentecostal Assemblies of Canada
COBOURG
Ontario

Opinion

We have audited the accompanying consolidated financial statements of Eastern Ontario District of the Pentecostal Assemblies of Canada which comprise the consolidated statement of financial position as at December 31, 2021 and the consolidated statement of operations and changes in net assets, and consolidated statement of cash flows for the year then ended and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the entity as at December 31, 2021 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

The financial statements of Eastern Ontario District of the Pentecostal Assemblies of Canada for the year ended December 31, 2020 were audited by another auditor who expressed an unqualified opinion on those statements on March 30, 2021.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

NATURE OF OPERATIONS

The purpose of the Eastern Ontario District of the Pentecostal Assemblies of Canada (the "District") is to promulgate the gospel of Jesus Christ, establish new congregations and provide leadership and support to those churches in Eastern Ontario and Nunavut which are affiliated with The Pentecostal Assemblies of Canada (the "PAOC"). The District is an Ontario not-for-profit corporation, and derives its jurisdiction and authority from the General Conference of The Pentecostal Assemblies of Canada. The District is a registered charity under the Income Tax Act (Canada) and is exempt from income taxes.

1. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

a) Principles of Consolidation

The consolidated financial statements include the accounts of the Eastern Ontario District of the Pentecostal Assemblies of Canada (which includes Lakeshore Pentecostal Camp and Ottawa Valley Pentecostal Camp) and Eastern Ontario Heritage Holdings (Non-Profit) ("Heritage Holdings").

Heritage Holdings is incorporated without share capital as a not-for-profit organization. The main purpose of the organization is to advance the work of the PAOC by holding land for the District office and a religious retreat centre. The organization is controlled by the District due to common members of the Board of Directors.

The consolidated financial statements include the accounts of the District after elimination of interorganizational transactions with the exception of interdivisional loans and subsidies.

b) Use of Estimates

The preparation of the consolidated financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions based on currently available information. Such estimates and assumptions affect the reported amounts of assets and liabilities as at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from the estimates used.

Significant estimates include the estimated useful life of capital assets.

NOTES TO FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES - Continued

c) Fund Accounting

Resources are classified into funds according to the activities or objectives specified as follows:

General District

The General District fund consists of assets, liabilities, revenues and expenses related to the operations of the District. It also includes internally restricted funds for various District initiatives.

Heritage Holdings

The Heritage Holdings fund consists of the land and would include any revenue relating to the potential gain on the sale of the property.

Lakeshore Pentecostal Camp

The Lakeshore Pentecostal Camp fund reports the assets, liabilities, revenues and expenses of the Lakeshore Pentecostal Camp located near Cobourg, Ontario.

Ottawa Valley Pentecostal Camp

The Ottawa Valley Pentecostal Camp fund reports the assets, liabilities, revenues and expenses of the Ottawa Valley Pentecostal Camp located in Cobden, Ontario.

d) Revenue recognition

The District follows the deferral method of accounting for restricted contributions, tithes and offerings. Restricted contributions, tithes and offerings are recognized as revenue in the year in which the related expenditures are incurred. To the extent that revenue has not been recognized, it has been reflected as designated funds payable. Unrestricted contributions, tithes and offerings are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Government assistance is recognized as revenue when received or receivable and collection is reasonably assured and when all conditions as to its use have been met.

Sales and rentals, registration fees, and conference revenues are recognized as revenue when the services are provided. Fees charged for specific projects in advance of the related services are recorded as designated funds payable and recognized as revenue in the year in which the services are provided. Interest and other revenue are recognized when earned.

Endowment contributions are recognized as direct increases in the Endowment Fund when received.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

1. SIGNIFICANT ACCOUNTING POLICIES - Continued

e) Capital Assets

Capital assets are recorded at cost. Amortization is being provided over the estimated useful life of the assets using the following annual rates and methods, except for the Lakeshore Pentecostal Camp buildings which are amortized over 40 years on a straight-line basis:

	Rate	Method
Buildings	4-8%	Straight-line
Computers	30%	declining balance
Equipment	10%-20%	declining balance
Site improvements and signs	10%-20%	declining balance
Drainage	10%	declining balance
Vehicles	30%	declining balance
Water & sewage installation	1.67%	declining balance

f) Impairment of Capital Assets

When a tangible capital asset no longer contributes to an organization's ability to provide goods and services, or the value of future economic benefits or service potential associated with the tangible capital asset is less than its net carrying amount, the net carrying amount of the tangible capital asset is written down to the asset's fair value or replacement cost.

g) Contributed Services

Volunteers contribute significant hours per year to assist the District in carrying out its activities. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

h) Financial Instruments

Initial Measurement

The District initially measures its financial assets and financial liabilities originated or exchanged in arm's length transactions at fair value.

Financial assets and financial liabilities originated or exchanged in related party transactions, except for those that involve parties whose sole relationship with the organization is in the capacity of management, are initially measured at cost. The cost of a financial instrument in a related party transaction depends on whether the instrument has repayment terms.

NOTES TO FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES - Continued

h) Financial Instruments - Continued

Subsequent Measurement

The District subsequently measures all of its financial assets and financial liabilities at amortized cost except for investments held by Lakeshore Foundation Fund, which are measured at fair value.

Financial assets subsequently measured at amortized cost include cash and accounts receivable. Financial liabilities measured at amortized cost include accounts payable.

Impairment

Financial assets measured at amortized cost are tested for impairment when events or circumstances indicate possible impairment. Write-downs, if any, are recognized in the excess (deficiency) of revenues over expenses and may be subsequently reversed to the extent that the net effect after the reversal is the same as if there had been no write-down. There are no impairment indicators in the current year.

2. RESTRICTED CASH AND CASH EQUIVALENTS

Restricted cash and cash equivalents consist of the following:

	2021	2020
Cash GICs	\$ 1,600,319 	\$ 209,933 2,442,903
	\$ 1,600,319	\$ 2,652,836

Cash and GICs are set aside for designated funds payable and internally restricted programs related to church health and multiplication, environmental advance funding for Lakeshore and Ottawa Valley Pentecostal Camps and future District office relocation beyond 2026 as follows:

	2021	2020
Designated funds payable (Note 6) Internally restricted net assets	\$ 288,223 	\$ 766,877
	\$ 1,600,319	\$ 2,652,836

NOTES TO FINANCIAL STATEMENTS

3. INVESTMENTS HELD BY LAKESHORE FOUNDATION FUND

The Lakeshore Foundation Fund was established in 2011. Income earned on the endowment investment is used to subsidize camp registration fees for children and youth.

During the year, Lakeshore Pentecostal Camp received endowment contributions of \$7,600 (2020 - \$16,100) towards the Lakeshore Foundation Fund bringing the total invested to \$168,000 (2020 - \$160,400). Endowment contributions are invested in certificate loans held by the Pentecostal Financial Services Group ("PFSG"), a wholly-owned subsidiary of the PAOC. These certificate loans earn interest at rates between 2.40% and 3.87% and mature in 2023. Interest of \$4,364 (2020 - \$3,576) earned on the fund is included in designated funds payable under camp sponsorships (Note 6) in accordance with the terms of the endowment.

4. INTERDIVISONAL TRANSACTIONS

In 2021, the District division loaned funds to Lakeshore Pentecostal Camp division for the ongoing environmental project construction. The loan is non-interest bearing and is expected to repaid in 3 to 5 years based on projected cashflows and fundraising campaigns.

During the year, the District provided subsides to Lakeshore Pentecostal Camp of \$80,160 (2020 - \$82,742) and Ottawa Valley Pentecostal Camp of \$69,160 (2020 - \$71,249) for operations.

9. PENSION PLAN

The District participates in a defined benefit, multi-employer pension plan administered by The Pension Fund (1969) of The Pentecostal Assemblies of Canada (the "Plan"). The Plan is a defined benefit pension plan which specifies the amount of the retirement benefit to be received by the employees based upon the length of services and rates of pay. The District accounts for its participation in this multi-employer pension plan as a defined contribution plan. Because the Plan is a multi-employer plan, any Plan surpluses or deficits are a joint responsibility of the member organizations and their employees. As a result, the District does not recognize any share of the Plan surplus or deficit.

The most recent actuarial valuation of the Plan was conducted at December 31, 2019. The results of this valuation disclosed total actuarial liabilities of \$129,586,000 with respect to benefits accrued for service with actuarial assets at that date of \$142,519,000 indicating an actuarial surplus of \$12,933,000. In 2021, no additional contributions in the form of special payments have been required. Contributions made by the District on behalf of its employees during 2021 for current services were \$33,952 (2020 - \$33,613) and is included within salaries and benefits expense in the consolidated statement of operations. The next valuation date is as at December 31, 2022 and is expected to be available by October 2023.

The annual lease commitment paid by Master's College and Seminary is \$772,143 (2020 - \$760,731), with the term expiring on July 31, 2024.
