Emerge Church has been loving families in the Sylvan Lake area for generations. We have a rich heritage of sharing God's incredible love and hope throughout our community!

### Our guiding principles:

1. Jesus is the centre. His love always prevails.
2. We focus on what is right about Jesus, not what's wrong with the world.
3. We want to be contagious by our lifestyle and attitude, proving that Jesus is still the remedy.
4. Jesus can repair anyone; no one is too far from His reach.
5. We are our own project; it's not about 'fixing' others...
6. We want to be the hands of Jesus extended, helping wherever we can.
7. We want to see many more grow in these truths.

### Our Growth track

**Belong:** [it's important to have a sense of belonging first] and that starts with the 'Sunday morning service'. We long for it to be an engaging experience, wetting the appetite for more.

**Believe:** ['Eternal life is to know...Jesus Christ'] We have to feel 'comfortable to land', and in that warm, loving environment, it is natural to *choose* the one who made it that way.

**Become:** [As we grow, we can become everything Jesus meant us to be] Now Sunday morning is simply the portal to many opportunities of discovery. It isn't just about acquiring more information, it's about getting to know Jesus [and ourselves] better.

**Beyond:** [We must think beyond our doors] As a team, we use our gifts and talents to reach others with this incredible hope!
