

Millbrook Christian Assembly is looking for a Part Time Sunday Only Children's Pastor to join our team.

Purpose:

Provide vision, clear direction, enabling leadership and organizational oversight to the **Sunday morning** Children's Ministries. Children should discover who God is, have an opportunity to worship Him, learn from His Word, encounter His Spirit, and with these tools be equipped to evangelize to the community around them.

Community and Church Description:

The community of Millbrook is a fast growing community located located 15 minutes south west of Peterborough and only 30 minutes north of Oshawa and Bowmanville. Only 3 years ago the population of Millbrook was 1400, then the development of a new neighbourhood began. Today the population has grown to 2200 people, with 40 more homes to be completed by year end. Another 800 homes are slated to begin construction by 2023 bringing the population to over 5000 by 2026. This growth makes for a beautiful country setting with an ethnic-diverse urban influence.

The church in Millbrook has seen this growth as an opportunity to reach new community members with the love of Christ, while embracing the established community and opening their eyes to our presence and message of love. We are a multi-generational and multi-ethnic Pentecostal church.

A detailed Job Description can be downloaded from our church website <https://millbrookchurch.ca/about-us> .

If this might be you please send resume to: marksmallwood7@gmail.com
